## COPY CADDY

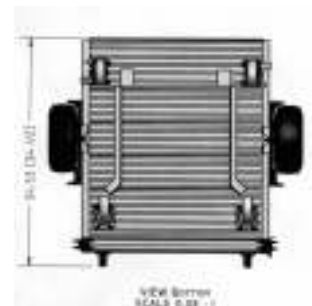

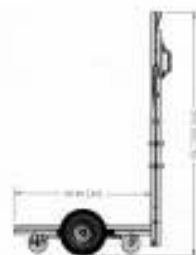

The Copy Caddy is the one tool you can not be without when moving and delivering copier machines. One Person can easily handle most console copiers when using the Copy Caddy.

The Copy Caddy is a stand alone delivery cart and a ramp for loading your delivery vehicle. It works in conjunction with the Forklift Stairclimber to become a total copier moving solution.

- Light weight custom aluminium extrusion design.
- Padded Surface protects the copier machine.
- Height adjustable safety strap.
- Removable all terrain wheels.
- It's a delivery cart and a ramp.
