# FURNITURE/ SWITCHBOARD MOVERS FM180B

The Hercules Furniture/Switchboard Movers are a fantastic device that makes moving awkward items a breeze. These furniture movers take up to 1800kg capacity and lift to 250mm in height. They come with a 5m strap to secure the load in place.

Now with an extra large toe plate 600 x 150mm.

Steer awkward loads from either end or both ends, with the easy to use steering system, you can even move loads sideways.

These Furniture movers are designed for moving a variety of awkward items, for example you can pick up large machines which do not have legs or gaps, move furniture, even switchboards. These furniture movers have become very popular within the switchboard industries.
