

HERCULES
COMPLETE LIFTING SOLUTIONS

FURNITURE/ SWITCHBOARD MOVERS FM60

The Hercules Furniture/Switchboard Movers make moving awkward items a breeze. These Movers take up to 600kg capacity and lift to 300mm in height.

Steer awkward loads from either end or both ends, with the easy to use steering system, you can even move loads sideways. These furniture movers are designed for moving a variety of awkward items, for example you can pick up large machines which do not have legs or gaps, move furniture, even switchboards. These movers have become very popular within the switchboard industries.
